For students grades 7-12, Footprints! is the youth ministry of The Crossing @ CFCC Hayward.

Footprints! Christian Youth Group exists to *reach* non-believing students, to *connect* them with other Christians, to help them *grow* in their faith, and to challenge them to *discover* their ministry and *honor* God with their lives!

I just need to get away for a weekend • What if I could take off the mask I wear in public • Are there really people out there who'd accept me the way I am • I wonder what it'd be like to really meet God.
